campos coffee

august 2, 2016 — august 29, 2016

Campos Coffee started from humble beginnings back in 2002 with a single café, a single La Marzocco, and single roaster in Newtown, Sydney. Today, Campos is one of Australia's most loved and respected specialty coffee roasters whose beliefs reside firmly in their creed: Quality Coffee Cultivated by Good; quality coffee that empowers people, preserves the planet and inspires more good coffee moments around the world.

Their flagship Campos Superior Blend has been their focus since Day One. This is their multi-award winning blend the NY Times says is “worth taking the 21-hour flight to Australia for”.

the la marzocco showroom at kexp is the place to experience the fine art of espresso. this is a destination for the la marzocco brand, a cafe that serves as a stage for the world's best coffee brands and baristas, a showcase for la marzocco home, and an event space for the coffee community.
