Cat & Cloud is a company that uses coffee as a catalyst for creating positive experiences. No matter what you're after, if you leave with a smile - we've done our job.

The La Marzocco Cafe and Showroom is the place to experience the fine art of espresso. We are a neighborhood cafe that serves as a stage for the world's best coffee brands and baristas, the La Marzocco Home Espresso Lab, and an event space for the coffee community. Brought to you by the makers of fine espresso machines handcrafted in Florence, Italy since 1927.
