TAKE ME HOME

We lugged a bunch of our favourite things over
with us, so you could take some home with you.

Over at the shop we've got a delicious range
of coffees arriving weekly from Melbourne,
Barista Socks, mugs and some other stuff.
You could even pick up the Linea Mini you've
been dreaming of.

Take a look.

SUPREME MEETS

Amazing things can happen over a cup of coffee.
Here at Supreme, what happens around a shared
cup of coffee is just as important as what's in it.

Supreme Meets is just that; filling the room
with interesting, friendly people creates great
conversations - who knows what might happen?

THANK YOU SEATTLE

Seattle, we've been in your debt ever since you
gave us Jimi Hendrix, Bill Gates (even though
we all use Apple) and rom-coms featuring
Tom Hanks and Meg Ryan.

It's nice to be able to give a little something back.
Thanks for having us Seattle!

USAC

We're excited to announce that Coffee Supreme
are the official hosts of the US AeroPress Champs.
Together with our super hospitable friends
La Marzocco and W.A.C. we're planning the
best party in Seattle since the grand opening
of the Space Needle.
