## New Safety Thermostat E.5.005

January 24, 2019

As part of La Marzocco's continuous improvement process and to satisfy the latest certification requirements, we are introducing a new double pole safety thermostat, E.5.005.

Starting with the listed serial numbers, the new safety thermostat is present in the following three and four group machines:

Linea PB: PB014533

Leva: all SN

Strada AV: ST004660

Strada EE: ST004763

Strada EP: ST004682

Strada MP: ST004685

Additionally all two group Strada, Linea PB and Leva machines will now be equipped with two L276.01, Klixon trip free 130° thermostat.

Do not hesitate to contact our solutions team with any questions you have about this technical bulletin.
