handmade in florence

We are La Marzocco Cafe, owned by La Marzocco USA, headquartered in Seattle, which is a branch of the global company La Marzocco, an Italian espresso machine manufacturer making espresso machines by hand since 1927.

As a cafe, we feature different coffee roasters seasonally in an effort to highlight the breadth and diversity of specialty coffee for our Seattle guests.

We are currently featuring four coffee roasters from right here in the Pacific Northwest: **Batdorf & Bronson Coffee Roasters** (Olympia, WA), **Blue Star Coffee Roasters** (Twisp, WA), **Fulcrum Coffee** (Seattle, WA), and **Sisters Coffee Company** (Sisters, OR).

Our Cafe also serves as an espresso lab and classroom for the La Marzocco Home machines – smaller versions of our commercial espresso machines, fitted for home countertops. Guests to the Cafe are welcome to test these out – our team is more than happy to help and answer any questions. We also offer espresso classes on the weekend, visit lamarzoccohome.com to see the schedule.

It's truly an honor to be able to serve some of the best coffee from around the world to our incredible guests here in Seattle. We hope you enjoy your visit!
