EQUIPMENT SETUP RECOMMENDATIONS

RECOMMENDED SETUP:

linea pb 3AV/ABR
kony S | major V | pugpress Q2

The Linea PB echoes the iconic Linea Classic polished stainless steel body, updated with simplified lines and a lower profile. The Linea PB offers advanced auto-volumetrics and optional built-in scales, with an intuitive user interface. Reliable, durable Mazzer grinders and an ergonomic PuqPress alongside make this setup ideal for high volume cafes that care about quality.
